

Boat Owning Hacks / Practical Boat Owner

What did seasoned boat owners wish they'd known at the beginning? Drawing on Practical Boat Owner readers' collective experience, Katy's video shared hints and tips on what they wished they had known before taking the plunge — first-hand advice from people who had already learned the lessons.

Speaker: Katy Stickland, Editor of Practical Boat Owner

Katy co-founded and ran the marine services company - Store Bay Marine Services - in Tobago with her husband John. They provided technical services for visiting sailors, living aboard their S&S 34 in Store Bay, before returning to the UK. Katy previously wrote for the Yachting and Boating World website, was news editor at Practical Boat Owner from 2017-2021 and worked for Yachting Monthly magazine for over five years, three years as deputy editor, before rejoining the PBO team as editor in 2023. She has also contributed to the 'Superyacht Services Guide' and 'A Cruising Guide to Trinidad and Tobago'.
