Welcome to the Antipodean Section

Most members live in Australia or New Zealand but sail in the northern hemisphere, therefore it is always summer. The majority sail in the Mediterranean but some prefer the Scandinavian countries and the Baltic Sea with a few enjoying the European Canal System and there is always a CA Section for them wherever they sail.

This Section aims to give our members a CA summer focus when they are back in their home country, to enable them to meet a few times and enjoy reminiscing with their fellow members about their previous seasons' exploits.

This Section could also be useful for those CA members who are circumnavigating and arrive at these shores opening up a vast store of advice and connections and who could also participate in any meetings or rallies being organised. For any other CA members who sail or charter in Australian and New Zealand waters we hope that up-to-date information regarding various areas of these two countries can be exchanged.

Forthcoming Events 2025/26

Lunches and dinners will be held in various states/countries from November 2025 to March 2026 with details being sent out to members via Section Mailing or on the Events page on the CA webpages
