## Welcome to the Baltic Section

Baltic Section was formed in 2000 following the Baltic Millennium Rally and now has an international membership of over 1,000. Attracted by the area's reputation for scenic beauty and cultural interest, each year many new skippers and crews set off for the first time whilst others overwinter and possibly stay for several years. Most turn to the CA's Baltic Section for information and advice.

### Baltic Section's Territory

Baltic Section looks after the interests of members sailing in the nine countries bordering the Baltic Sea – Germany, Denmark, Norway, Sweden, Finland, Estonia, Latvia, Lithuania and Poland. Iceland, the Faroe Islands and Greenland are also in our area of responsibility.

### Where We Meet

During the winter the Section provides a series of meetings and social events at CA House in London. For details of planned dates please see overleaf and monitor the Baltic Newsletter from September onwards. Enquiries to [baltic@theca.org.uk](mailto:baltic@theca.org.uk)

### Being Part of Our Section

Members have access to a wealth of information which the Section has accumulated and, through research and regular visits together with the support of a network of over 30 local representatives, are kept informed about new legislation, changes to harbours, new publications, discounts available and much more. Baltic Section provides Cruising Guides for all the countries and Cruising Information documents on a range of topics necessary for visitors. Information is available through the Section's Baltic Newsletter, the website and the forum BalticNet. Members meet and make friends at rallies in the Baltic and meetings and social events in the UK.

The Section has associations with most of the major yachting organisations of the countries in the region, enabling Baltic Section members access to some private club facilities otherwise not available to the cruising yachtsman.
