About the app

Captain's Mate provides an unrivalled breadth of cruising reports covering 7,500+ locations around the world. It provides up-to-date and accurate details on anchorages, marinas, ports, harbours, boatyards and quays. The app's worldwide coverage across 100+ countries reflects the CA's international membership, with over 20,000 member contributions providing first-hand practical knowledge on locations and local interests. Once downloaded the app works even when you have no internet connection or phone signal.
