Welcome to the Essex Section

The Essex Section covers one of the longest county coastlines in England, stretching over 350 miles. It offers beautiful beaches, picturesque villages and many vibrant towns.

There are plenty of things to explore, from miles of remote and unspoilt coastline rich in wildlife, quiet creeks and salt marshes to traditional seaside resorts like Walton-on-the-Naze and places of maritime heritage like Harwich or Maldon. Whether your interests lie in coastal cruising, pottering in creeks or rivers, or setting off on a global adventure, the Essex coast delivers a wide range of cruising experiences.

Where we meet

We are currently trying out various venues with the plan of meeting alternately in the north and south of the area.

Being part of Essex Section

If you live or keep your boat in the area, or if you are just visiting, you are welcome to join any of our events. We organise talks, rallies and social suppers and lunches. We email Section members and publish our plans on the CA website.

If you are interested in joining the new Essex team, we'd love to hear from you!
