Honorary Local Representative

Strange things, they say, happen at sea. You don't have to put many miles under the keel to find out that is true. And if those strange things need to be resolved, then The Cruising Association is here to help. Specifically, in the shape of our Honorary Local Representatives (HLRs).

What is an HLR?

The task of the HLRs is to assist CA members in whatever way they can. They help with things like:

- **Sourcing emergency repairs**
- **Finding moorings**
- **Securing visas**
- **Translations**
- **Explaining local customs and bureaucracy**
- **Provisioning**
- **Land transport and excursions**

And if they can't help, they'll know someone who can.

How to find an HLR

CAptain's Mate app - mobile/desktop

- Website and Yearbook - organised by country
- HLR flag - flying proudly from either their boat, office or home

Would you like to recommend someone to be an HLR?

We like and expect our HLRs to have good knowledge of their local services, keep us regularly informed about local matters of interest relevant to those visiting their port, and take an active interest in promoting the benefits of CA membership.

If this sounds like you or someone you know, please email office@theca.org.uk for more details.
