Welcome to the Thames Valley Section

The Thames Valley Section was established in 2010 for members living within a 40-mile radius of Marlow so that they could meet with other CA members and their guests to exchange ideas whilst attending illustrated talks on a wide range of sailing topics held once a week through the winter.

Most of our members have their yachts or motorboats around the UK coast or abroad plus a few moored on the Thames. We hope that their diverse areas of interest are reflected in the talks now held in Gerrards Cross in partnership with the Gerrards Cross Sailing Association.

All CA members and guests are very welcome to our Wednesday evening meetings with presentations on a cinema-sized screen on subjects of interest to cruising people. The venue has a bar, and the evening events provide excellent opportunities for members to meet socially and meet socially and exchange experiences and information.

In 2026, the Section arranged with GXSA for CA members to also attend and join their summer events and rallies. Details of the joint winter and summer programmes can be found on the CA website, under Community, and on the GXSA website. (CA.org.uk) (https://gxsa.org.uk).
