

Thames Valley

We Offer:

- Talks and presentations in autumn & spring
- Newsletters
- Honorary Local Representatives (HLRs)
- Social events & rallies

Welcome to the Thames Valley Section

Despite the name, the Section is not just about river cruising. The Thames Valley Section was established in 2010 for members living within a 40-mile radius of Marlow so that they could meet with other CA members and their guests to exchange ideas and have illustrated talks on a wide range of sailing topics.

Most of our members have their yachts or motorboats around the UK coast or abroad plus a few moored on the Thames. We hope that their diverse areas of interest are reflected in the talks now held in partnership with the Gerrards Cross Sailing Association (<https://gxsa.org.uk>).

All CA members and guests are very welcome to our Wednesday evening meetings at Gerrards Cross with speakers giving their presentations on a cinema size screen on subjects of interest to cruising people. The evening events provides excellent opportunities for members to meet socially and interact to exchange experiences and information.

Forthcoming Events 2025/26

Talks are held at Colston Hall in the Gerards Cross Community centre on Wednesday evenings from the 8th October 2025 to March 2026 with a programme of eighteen speakers providing a broad range of maritime talks and presentations similar to those enjoyed by the Thames Valley Section in previous years.

CA members attend for a discounted admission price of £4 and need to show their membership card or digitally using Captain's Mate. Non-members are always welcome and tickets are £5 per head.

CA collaborate with GXSA on the programme and provide some of the speakers. The final autumn programme is published in September with a spring version in December and is circulated in advance by email to CA Section members.

Please check the CA website or the GXSA website for updates on the programme and future events.
