The BlueWater Weekend 20/21 August 2016

Sunday Rendezvous

Today is a social event held at CA House to enable **CA and BlueWater** section members and friends to get together. Following welcome coffee/tea and biscuits from 10:00 we will have a talk at 10:30 from **Lynne Gane and Alan Franklin** who will be regaling us with their wonderful experiences sailing through the Pacific Islands including how they coped with officialdom, agents and boat maintenance en route.

The talk will be followed by pre dinner drinks to give time to renew friendships and chat about your latest experiences, to be followed by a buffet lunch.

The cost for the Sunday lunch & talk is £15

You can book for the Sunday Talk and Lunch by going to <http://thecaevents.eventbrite.co.uk>
