Blue Water Section - Sunday Talk & Lunch

CA House 3rd March 2019

If you are contemplating a circumnavigation or any big sailing adventure please come and join Michael and Anne Hartshorn for an illustrated talk and discussion about their sailing career.

Very importantly Michael and Anne are joining Sandy in the role of Joint Section Secretaries.

SAILING the DREAM and MORE

We purchased our yacht for a ten year circumnavigation in 2004 and set off in 2008. Moving on another 10 years and more than 30,000nm cruising we have visited some amazing destinations and our yacht is now in Vancouver Island, B.C. We are still not even half way & planning our eleventh year cruise to Alaska.

With the Pacific still to cross and a potential trip up the Red Sea in years to come who knows how long our circumnavigation will take!!

So - What have we learnt?

- Did we 'over ready' our yacht with equipment before we left?
- Were our expectations different to reality?
- Why is it taking us so much longer than intended?

Come along and listen to their adventure and also bring your ideas for what you would like to gain from the Blue Water in the future.

Meet at CA House at 10.30 for Coffee, Tea and biscuits and meeting old and new friends

Talk will start at 11.00 concluding round 12.30, following Q+A.
