

ESSEX SECTION EAST COAST RALLY

The London River & Limehouse Basin

Fri 27 to Sun 30 May 2016

We had such fun last year that we are once more venturing up river for a weekend of sociable sailing and company on the London River. Berths have been arranged in Limehouse Basin Marina and we can use the CA House facilities during our stay. We have reserved the CA cabins for members who want to join in, but will be travelling by land rather than by sea. If you don't have your own boat and want to sail we can probably team you up with skippers looking for crew, so please also get in touch.

Programme
