***Man Overboard! Now
where's he gone ?-
Alan Wilson. 12th March
2016
18.30 for dinner at 19.00***

What should you do when the skipper falls overboard?

Alan will share the results of years of investigation, during which he has pushed many people overboard and even gone overboard himself in the course of duty! As we prepare for the coming season Alan joins us with helpful advice about how to manage MOB's as even old seadogs can learn new tricks.

Our meetings are held at the Blackwater Sailing Club, Basin Road, Heybridge, CM9 4SD.

The club is on the main road into Heybridge Basin. The entrance is about 200 yards on the left after turning into Basin Rd from the B1026. (Careful! it is easy to drive past this turning) See www.multimap.com

The format for the evening will be dinner served about 19.00, followed by the lecture. If you are coming only for the talk it will start about 20.00. The Club bar will be open from 18.30.
