Traversing France by Canals & Rivers
12th November 2016
18.30 for dinner at 19.00
Talk starts at 20.00

In 2006 Julian and Vanessa Dussek took their Southerly 115 from Gravelines to the Mediterranean via the French inland waterways and back; a round trip of nearly 2,000 miles. Their journey took them through small rivers and canals and the mighty Seine, Saone and Rhone; through small rural locks and the massive ones of the big rivers; through big cities, Paris and Lyon, and the tiny villages of Burgundy and the Loire. Practical tips and advice abound and of course no visit to France would be complete without mention of food and wine.

Our meetings are held at the Blackwater Sailing Club, Basin Road, Heybridge, CM9 4SD.

The club is on the main road into Heybridge Basin. The entrance is about 200 yards on the left after turning into Basin Rd from the B1026. (Careful! it is easy to drive past this turning) See www.multimap.com

The format for the evening will be dinner served about 19.00, followed by a guest speaker. If you are coming only for the talk it will start about 20.00. The Club bar will be open from 18.30.

Dinner and Talk £13.00 (CA and BSC members). £15.00 (guests)

Talk only £3.00 (CA and BSC members). £5.00 (guests)
