Sailing Around Britain: A Weekend Sailor's Voyage in 50 Day Sails

Like many of us, Kim Sturgess was a weekend sailor. Reaching the age of fifty focused the mind and he decided to sail around Britain.

While many cruising sailors would not contemplate a 1900 nautical mile voyage, he broke the voyage into a series of day sails, making it an achievable ambition for him, largely single-handed, and for many other weekend sailors who might dream of sailing around their home island.

His book tells the quirky traveller's narrative of the voyage and visits to forty-eight towns.
