Long Distance Cruising Masterclass

with

Jimmy and Doina Cornell

Saturday 6 February 2016

Royal Harwich Yacht Club

Woolverstone, Ipswich IP9 1AT

This comprehensive one-day seminar is based on both Jimmy Cornell's considerable personal experience and the practical information gathered as the organiser of over 30 transatlantic and six round the world rallies. In the last 40 years Jimmy has sailed over 200,000 miles, including three circumnavigations as well as voyages to Antarctica and the Northwest Passage. It is this rich font of practical knowledge that Jimmy is keen to share and pass on to other sailors.
