

CA London Long distance cruising masterclass with Jimmy Cornell

Jimmy Cornell, accomplished sailor, author of *World Cruising Routes*, *World Cruising Destinations*, *World Voyage Planner* and *Cornell's Ocean Atlas*, founder of the ARC and noonsite.com will return to CA House to present his popular one day seminar on long distance cruising.

In the last four decades Jimmy has sailed 200,000 miles in all oceans of the world, including three circumnavigations and voyages to the Arctic and Antarctic.

He has a wealth of practical advice to offer anyone planning a voyage, his font of knowledge being based not only on his personal sailing experience but also as the organiser of 24 transatlantic and five round the world rallies attended by some 12,000 sailors and 3,000 boats. Jimmy's excellent photographs of many of the world's most beautiful cruising areas will be used to illustrate his seminar.

Date: 2 March 2013

Venue: CA House

Tickets: £40 for CA members, £80 non members

Price: includes light lunch and masterclass handout

Any non member joining the CA by direct debit on the day will receive a £40 discount on the first year's membership subscription.
