### EXCLUSION ZONES

- Suhaili – 20m
- Warship – 50m
  - Do not impede the starboard side of the ship as they will need to manoeuvre to the deep water channel
- Clipper Yachts – please give plenty of space to both as they are not as manoeuvrable as smaller yachts

### COMMS

- Channel 72

### LOCAL BY-LAWS/NTM

- See [falmouthharbour.co.uk](http://falmouthharbour.co.uk) for the latest NtM

### FLOTILLA FORMATION

- As Suhaili crosses the line please ensure all yachts are behind the two Clipper Yachts and take notice of the Warship exclusion zones.
- The Warship is likely going to flank the NE/Black Rock side of the group and will sound a horn when Suhaili crosses.
- Please note there will be RIBS on the water with various media and photographers on board who will also be acting as patrol RIBs. If you see them smile and if you are asked to move slightly please also take note.
