

**THE ESSEX SECTION
NOVEMBER MID-WEEK WATERFRONT LUNCH
AND VISIT TO NOTTAGE MARITIME
INSTITUTE**

Wednesday 20th November 2014

An exciting change this month; a visit to the Nottage Maritime Institute and Museum after lunch. We'll lunch a little earlier than usual at the Rose & Crown at **12noon**

**The Rose & Crown, The Quay, Wivenhoe,
Colchester, Essex, CO7 9BX**

A sociable gathering of Cruising Association friends (guests are also very welcome).

Then after lunch :

Wednesday 20th November 2014 2PM

The Quay, Wivenhoe, Essex CO7 9BX

We have arranged to visit The Nottage Maritime Institute and Museum next door to the pub. Several members of the

organisation will be on hand eager to show us round and answer questions.

<http://www.nottagemaritimeinstitute.org.uk/welcome.htm>

This promises to be a great afternoon and we welcome those who cannot make the lunch but can make the visit. **On this occasion it would be good given the size of the pub and the arrangements at the institute if you could let us know if you can make either or both by responding to John's address below.**

We have one of these lunches from time to time, usually the 4th Wednesday of the month in the off-season, at different locations within the County. We will try to alternate between north & south. The only requirement is a waterfront location and we would like to hear suggestions for the next one.

Hope to see lots of you there.
