

THE ESSEX SECTION

OCTOBER MID-WEEK WATERFRONT LUNCH

Just turn up and pay on the day. No bookings, no formality, just a sociable gathering of Cruising Association friends (guests are also very welcome). If you do let us know you are coming, we could give the landlord some idea of numbers, but just turn up anyway, as complete informality is the whole point.

We have one of these lunches from time to time, usually the 4th Wednesday of the month in the off-season, at different locations within the County. We will try to alternate between north & south. The only requirement is a waterfront location and we would like to hear suggestions for the next one.

Wednesday 23rd October 2013 about 12:30

The Queen's Head.

The Hythe, Maldon, Essex, CM9 5HN

Hope to see lots of you there. There is often a small amount of parking space in nearby roads or even outside but there is a car park in Promenade Park nearby if none is available.
