

The Waterfront Mid-Week Lunch

Wednesday 26th November 2014 about 12:30

November's midweek waterfront lunch on 26th will be in the north of the county close to Suffolk border at the Anchor Inn in a beautiful riverside setting at The Anchor, 26, Court Street, Nayland, Colchester, CO6 4JL

Main Course £10-£12 sandwiches £5-£8 (approx.). Just turn up and pay on the day. No bookings, no formality, just a sociable gathering of Cruising Association friends (guests are also very welcome). If you do let us know you are coming, we could give the landlord some idea of numbers, but just turn up anyway, as complete informality is the whole point.

Normally held once a month throughout the off-season, these lunches take place at different locations within the County. The only requirement is a location close to a waterfront and we would always like to hear suggestions for the next one.

Advanced notice for 29th January 2015: *Thanks to Jane, we are going to lunch at the Colne Yacht Club and go on to The Pioneer Trust to see The Pioneer which will be in dock for refit, along with a short history of the Trust and what it is currently and a brief presentation of a collaborative project with Brightlingsea U3A on the clothing worn in 1890 with replica garments.*
